the ACS Division of Chemical Education*

Chemical Safety Contract

All Chemical Demonstrators and Workshop Presenters whose workshops involve chemicals must send a signed copy of the following Chemical Safety Contract:

_____ ACS Guidelines for Safe Chemical Workshops and Demonstrations

I have a professional knowledge of the safety guidelines of the American Chemical Society for the safe handling of chemicals and other potentially hazardous materials while presenting workshop activities, and I agree to abide by them. (Initial on line above.)

_____ Guidelines for transportation storage, preparation presentation and disposal of chemicals at BCCE

I read the statement regarding the transportation, storage, preparation, presentation, and disposal of chemicals to be used at 23rd BCCE and will abide by all rules therein. (Initial on line above.)

_____ Chemical Workshops - Required Documentation

I read the list of required documentation and will send all applicable documents by the deadlines specified. (Initial on line above.)

_____ Lab Safety Rules and Regulations

I am familiar with and have been trained on lab safety procedures consistent with OSHA's Lab Safety Standard (29CFR 1910.1450) and any other rules or regulations specific to the demonstrations that I have proposed. I have reviewed ND's policies and procedures for safe work in laboratories, including critical selections from its [Chemical Hygiene Plan](#) (riskmanagement.nd.edu/laboratory-safety).

_____ I will attend a safety briefing at ND at 5 pm on either Saturday, 28 July 2018 or Sunday, 29 July 2018.

Name _____ (print name)

Affiliation _____

Signature _____ Date _____
